# GABRIEL BOUDIER® DIJON

## CREME DE CASSIS DE DIJON

The world's  
finest Cassis?

Taste it,  
Decide for  
Yourself.

*Gold Medal  
San Francisco  
International Spirits  
Competition 2009*

**Tasting Notes:**  
“Deep, ripe, ruby  
with edge almost  
ablaze it is so bright.  
Color clings to the  
inside of the glass to  
heighten the aromatic  
spread. Nose could  
not contain more  
character than this.  
Packed with  
concentrated, fresh,  
ripe cassis. Thick,  
viscous and  
concentrated in  
the mouth with  
incredibly slow flow  
across the palate.  
Allowing maximum  
absorption for the  
rich cassis flavors.  
Dense and fully  
concentrated in  
every way. Finish and  
aftertaste last forever.  
Magnificent  
beverage...”

Añejo Talavera

**The Tequila:**

We have the most rigorous quality control standards, using 100% hand-selected Blue Weber agave, and a unique recipe, and aging processes that creates the smoothest tequila.

**The Bottle:**

The Silver and Reposado are made from hand-blown glass, transparent and cobalt blue, respectively. Our Añejo is packaged in hand-painted Talavera clay bottles; true works of art, each signed by the artist.

**The Name:**

Los Azulejos (Ah-zoo-le-hos) comes from the Mexican art form Talavera, hand-painted earthenware made in Puebla. Talavera tiles, called Azulejos, have been used to decorate the most beautiful homes and haciendas in Mexico for many centuries.
